IDEASS
Innovation for Development and South-South Cooperation

Rome, 28 September 2007

To whom it may concern

This is to certify that the Building Technology developed by the IMS Institute of Belgrade (Serbia), is promoted at an international level by the UNDP-UNOPS IDEASS Program, including through its web page (www.idealsonline.org). The IMS Building Technology is promoted in particular in the countries where ART GOLD cooperation Programs (Governance and Local Development) are operating in order to generate an interest in its technological transfer.

A handwritten signature in black ink, appearing to read 'Giulia Dario'.
